EXTRACTS FROM "THE CANADA GRAIN ACT, 1912," GIVING DEFINITIONS
OF THE DIFFERENT KINDS OF ELEVATORS, ALSO TRACK BUYERS AND
GRAIN COMMISSION MERCHANTS.

"Country Elevator" includes such as are described in section 151
of this Act:—which is as follows:—

151. "Country Elevator" shall include all elevators and warehouses or flat warehouses which receive grain for storage, before such grain has been inspected under this Act, and which are situated on the right of way of a railway or on any siding or spur track connected therewith, depot grounds, or on any lands acquired or reserved by any railway company to be used in connection with its line of railway at any station or siding, and shall be under the supervision of the Board.

"Public Elevator" includes every elevator or warehouse which receives grain for storage from the western inspection division, after such grain has been inspected under this Act;

"Eastern Elevator" includes every elevator or warehouse at any point in the eastern inspection division used only for the storage of grain grown in that division, after inspection of such grain under this Act, or, if such grain, after being stored in such elevator, is subject to inspection under this Act on delivery out of such elevator;

"Terminal Elevator" includes every elevator or warehouse which receives or ships grain, and is located at any point declared by the Governor in Council to be a terminal;

"Hospital Elevator" includes every elevator or warehouse which is used for the cleaning or other special treatment of rejected or damaged grain and which is equipped with special machinery for that purpose.

"Mill Elevator" includes every elevator or warehouse used or operated as part of any plant engaged in the manufacture of grain products in the Western Inspection Division.

"Track-Buyer" means any person, firm or company who buys grain in car lots on track;

"Commission Merchant" means any person who sells grain on commission;
